

Summary of Vendors Participating in Medicare PHR Choice

This chart shows you basic information about the Personal Health Record vendors and products offered in the Medicare PHR Choice program. Because the PHRs vary, Medicare recommends you visit each of the vendor websites to see their tool and features before you make your choice. The beginning of this summary compares various features followed by additional features of each PHR tool. For more information on the Medicare PHR Choice program and to sign-up, visit www.medicare.gov/phr on the web.
